N/A, Los Angeles,

The understated elegance of mid-century modern architecture set against the stunning backdrop of Mandeville Canyon's rolling hills and luxury estates.Â Situated on just over half an acre, 2317 Banyan Drive offers a flowing, yet purposeful floorplan that expertly utilizes every one of its 2,722 square feet of living space.Â Raised ceilings and abundant windows lend a sense of openness and scale to the sprawling interior, and a central courtyard blurs the lines between indoor/outdoor, flooding the common areas with natural light.Â The single story layout, featuring five oversized bedrooms - including a spacious primary suite - allows for myriad configurations to accommodate just about any possible need.Â Stepping out back you will find an open, private yardÂ perfectly suited for enjoying Southern California's beautiful year-round weather; and boasting plenty of flat, usable space, it isÂ ready to serve as a canvas for your imagination.Â Of course, the location speaks for itself: insulating you from the hustle and bustle of Los Angeles while keeping the city, and all it has to offer, close at hand.
