N/A, Palmdale,

This 3 bedroom, 2 bath 2052 sq. ft. floor plan with 3 car garage doesn't pop up that often at this price, so grab this rambling single story home while you can. The family room presents itself well as you enter, with tile flooring, two sided fireplace, soaring ceilings & a dining room that offers family gatherings space to dine, sit & create cherished new memories. The kitchen entry arch lends well for convenience to rustle up some culinary masterpieces or a slice of toast! So much counter space, cabinets, plus an ever so decent Kitchen Nook for a smaller table to plonk down in and chat over a hot cuppa tea or coffee. The living room is oh so grand, giving not only room to watch tv, read or watch the fire, but offers space for an in home office or create the space to suite your needs. The primary bedroom, well excuse me, TWO ample sized closets, so now you can hang those stored clothes & shoes! The bedroom itself is light & airy with so much space for added furniture pieces. The separate tub and shower, two sinks, add that extra touch. Fab laundry room with sink & cabinets. Plus, there are also custom lace curtains in some rooms & two custom made rugs in the family room. Window blinds throughout. Come outside. Partially covered patio, fruit trees & space for your four legged friends. 3 car garage with tall storage cabinets, plus freezer. Is this home perfect, not yet. It needs some TLC, hence the price. So, come & make the changes that turn this house into your home. It's that simple.

Come find me. I am 5715 Capri Court & YOU
can call me HOME.
