N/A, Sylmar,

Welcome to your mid-century escape, where the charm of country living meets the urban conveniences of the city â€” because who says you canâ€™t have your â€œhermit on a hillâ€• cake and eat it too? Nestled in the glorious foothills of Lakeview Terrace, this cool pad is like your favorite vintage record â€” a little retro, a bit groovy, and completely one-of-a-kind!

Get ready to spread out! With an extra-long driveway you can bring all those beloved toys youâ€™ve been hiding from your neighbors. Seriously, go ahead and park your RV, or maybe that vintage convertible could use a home too.

Now, letâ€™s talk about that terraced backyard â€” it's not just any backyard; itâ€™s your very own adventure zone! The covered patio is perfect for lounging with a sassy lemonade while grilling up some burgers like a master chef. And donâ€™t worry, thereâ€™s enough room for the kids, pets, and even that friend who insists on showing up uninvited.

Are you ready for the upper level? Invite your friends over for some splashing fun â€” just be prepared for an overwhelming amount of doggy paddle enthusiasts if you have pets! So, this special little nook is ready to take your

country lifestyle to that bustling city level you love.

So pack your bags and bring your sense of humor – your mid-century haven awaits!
