Indian Hills Ridge (309), Simi Valley,

Welcome to your dream retreat in the hills of Simi Valley. Nestled in the highly sought-after Indian Hills Ridge neighborhood—an area known for its peaceful ambiance, beautifully maintained homes, and no HOA fees—this stunning single-story residence blends refined comfort with resort-style living.

Set on nearly half an acre, the home offers privacy with large side setbacks, oversized RV access, and a three-car garage that can double as a two-car garage with a workshop. From the moment you arrive, you’ll notice the pride of ownership and thoughtful upgrades that set this property apart.

Inside, the home features three spacious bedrooms, a versatile office or den, and two full bathrooms, all updated with high-end custom finishes. The heart of the home is the gourmet kitchen—a chef’s dream with custom cabinetry, granite countertops, and premium built-ins, including a Viking double oven with six-burner stove and griddle. A whole-home soft water system adds comfort and longevity to your appliances.

Step outside into your personal resort. The saltwater PebbleTec pool features a beach-style entry, ideal for little ones, and a raised spa that cascades into the pool via a rock waterfall. A custom outdoor gazebo offers the perfect entertainment setting, with a Fire Magic BBQ with rotisserie, sink, refrigerator

with kegerator, and a stone fireplace with a mounted outdoor TV. Built-in speakers let you enjoy music or movie nights under the stars.

Continue into the park-like backyard, where flagstone stairs lead to a tranquil wine garden with stunning eastern mountain views. Unwind with a glass of wine at sunset, or sip your morning coffee watching hikers and bikers on the Chumash Trail just across the way.

Another stairway leads to the top terrace, where a handmade bench offers panoramic views of Simi Valley. On clear days, you may even spot the ocean and Channel Islands.

On the Fourth of July, enjoy the city fireworks show from your own backyard. The home also offers direct access to the popular Las Lajas Canyon trail system, perfect for hiking and biking.

With leased solar panels, youâ€™ll benefit from predictable, low-cost energy.

This is more than a houseâ€”itâ€™s a lifestyle. Homes in Indian Hills Ridge rarely come to market, especially with this level of detail, privacy, and breathtaking outdoor space. Donâ€™t miss your chance to make it yours.
