Residential on 1 Acres

Custom Sand Canyon (CSAND), Canyon Country,

From this gorgeous golf course custom single story, you can see the snow on the grapevine! Hard to imagine a more stunning setting overlooking the green golf course with no side neighbor and unobstructed views for forever! Amazing entertainerâ€™s yard too with pool/spa, covered cook station, plenty of lush landscaping and a huge side yard with basketball court. From the moment you walk through the doors into the stone courtyard you know it is a special property. The fourth bedroom has its own private access from the courtyard and like all the rooms, itâ€™s large. Upon entry into the main home the feeling is lots of light and truly high ceilings that a custom home should have. Spacious kitchen with granite counters, large pantry and stainless appliances. Dining room with wine cellar. Marble and stone floors and shutters are some of the nice touches. The primary is especially impressive with the jacuzzi tub and enormous walk-in closet. 2-car garage with owned solar, central vacuum, water filtration, storage and there are 4 fireplaces total. Appaloosa is the street that everyone notices as special in the area because of the custom homes and the unique vista for those overlooking the course. There are only a handful of homes on the street, and this is the only single story that faces the golf course. The Sand Canyon Country Club sits in the distance and the community is gated. No Mello Roos taxes, low HOA and a location second to none!
