N/A, West Hills,

This sweet West Hills home has everything you need and more! Located on a quiet cul-de-sac just minutes from Fallbrook Mall, it has great curb appeal with drought-tolerant landscaping and a welcoming path that leads you right to the front door.

Step inside to a bright, open layout that connects the kitchen, dining, and living areas—ideal for everyday living or hosting friends. The kitchen is super functional with tons of custom cabinet space, a pantry with pull-out drawers, granite countertops, stainless steel appliances (including a side-by-side fridge with ice maker), and a decorative tile backsplash that adds just the right touch of style.

Wood floors run throughout the home, and you’ll also find recessed lighting, a cozy gas fireplace, central heat and air, and a Ring alarm system with cameras already in place. French doors off the living room open up to your own private backyard retreat—complete with a pool, hot tub hook up, built-in BBQ, beverage fridge, gas firepit with seating, TV, fruit trees, and plenty of space to relax or entertain.

There are four cozy bedrooms, including a primary with its own en suite bath featuring a cute pedestal sink and walk-in shower. Two of the bedrooms have ceiling fans, and the second bathroom offers a soaking tub for

those slow evenings at home. Youâ€™ll also love the extra storage with both a linen and hallway closet.

The oversized driveway fits an RV, boat, or four cars, and the attached two-car garage includes your washer and dryer setup.

This home is move-in ready, full of charm, and set up for easy livingâ€”inside and out.
