Summertime (STIM), Valencia,

BOLD, FUNCTIONAL, and BUILT TO IMPRESS. From the moment you arrive, itâ€™s clear this home is something special. Fully permitted and meticulously remodeled, it offers a rare combination of custom design, modern features, and refined comfort. The expansive open-concept kitchen is a true standoutâ€”designed to impress and built for entertaining. It features premium stainless appliances, including a Haier dual fuel range offering both gas and electric cooking, paired with a sleek stainless steel hood. Generous soft-close cabinetry, a walk-in pantry, and a two-zone wine and beverage cooler provide both function and flair. A striking 9-foot quartz island with a prep sink comfortably seats six, making it the centerpiece of the space. Oversized windows from the farmhouse sink offer a perfect view of the private backyard oasis. The saltwater pool, just four years old, features a Baja shelf and an oversized spa that seats six. Relax or entertain under the 13x24 covered patio, topped with matching roof tiles and a ceiling fan for year-round comfort. Downstairs also includes a stylish half bath with hexagon tile flooring and a touch-light vanity mirror. Upstairs surprises with a generously sized secondary bedroom and full wall of closets. The updated bathroom includes a frameless glass shower and new fixtures. The primary suite offers a true escape, complete with a custom walk-in closet and a luxurious ensuite bath featuring a frameless glass enclosure, designer tilework, a

soaking spa tub, and an oversized shower. Additional features include dual and triple-pane windows, epoxy-coated garage flooring, and 24 paid-off solar panels. With 2,230 sq ft (per seller's approved plans), this home is perfectly positioned at the end of a quiet cul-de-sac with space to park up to six cars in the driveway. There's no Mello-Roos and a low HOA—adding even more value to this already exceptional home. This is more than a remodel—it's a reimagining of what home can be.
