The sparkling pool has a generously sized baja shelf. A full-size tennis court, BBQ pavilion and multiple covered patio areas are a perfect combination for the supreme gift of extending your living space. The grounds are home to mature fruit trees all strategically selected to peak at different times of year - apple, pomegranate, avocado, fig, grapes, nectarine, lemon, orange, guava, plum and apricot, creating an orchard-like setting, further enhancing this hidden retreat. The street to street access and parking for over 8 is an even greater bonus. Step inside to discover a warm, inviting interior with spacious living areas designed for both relaxation and entertaining. All of the rooms in the home offer either serene views of the incredible entertainerâ€™s backyard or the mature, lush

grounds. The remodeled kitchen is huge, featuring quartz and granite counters, custom cabinetry, a double oven, island with breakfast bar, enough space for a table to seat 8, and of course views of the property grounds and the yard. In one wing of the home, you will find 3 bedrooms and an office. The primary has French double doors, offering not only an incredible view of the yard but access to it, as well. The primary bath was recently remodeled and features a walk-in spa-like shower. The other bedrooms in this wing are generously sized with views of the grounds, one even has its own outdoor patio. In the other wing, beyond the kitchen and functional mud room, you will find 3 additional bedrooms that all offer the same unrivaled views of the property grounds. These bedrooms are the perfect set-up for a college student, additional family, professional offices or even as guest units as there are two kitchenettes and 2 full baths in this wing. This unique estate has it all.
