The kitchen boasts newer granite countertops, a garden window over the sink, a large center island, a newer gas oven, a newer microwave, and newer flooring. With a full dining room on one side, the other side of the kitchen opens into a spacious family room that includes a cozy fireplace and extensive built-in cabinets with bookshelves and a desk.

an office and crafting studio and features built-in bookcases, a glass desk, and sofa. On the ground floor is a full bathroom, laundry room with built-in cabinet storage. The laundry room connects to a large 3-car garage with extensive built-in cabinets and a workshop desk.

Upstairs is a large landing with a skylight and access to 3 more bedrooms. The large Primary suite has high ceilings, a fan, a large walk-in closet, and a full bathroom - with a spa tub, separate shower, and two sinks with storage. The second floor also has a full bathroom and two more bedrooms. Each has high ceilings and fans. The front bedroom has its own walk-in closet.
