This one-of-a-kind mid-century cabin-style home at 8917 Holly Place is bursting with history, character, and more charm than you thought possible in one place. Nestled in iconic Laurel Canyon on a quiet cul-de-sac, it offers a peaceful retreat just minutes from the heart of the city. The property features a spacious ADU and exudes a peaceful, timeless charm, surrounded by lush gardens and natural beauty. The main house is approximately 1230 sq ft. and feels more like a retreat. You will love the natural wood elements and the open floor plan bathed in natural light, with great windows that blend indoor and outdoor living, thanks to the most beautiful area that was once the yoga loft to many in the area. We are sure you agree it screams PEACEFUL with its cute kitchen, open dining area, or sitting room, along with a second bathroom. The spacious living room features gorgeous stained glass, high ceilings, and views of the private backyard that you can also see from the loft. The primary bedroom has all the spa vibes with 2 large closets and a gorgeous custom bathroom with a tiled combo tub/shower with more views. The upper deck that you can access from both the primary or living room will take you to your new favorite coffee spot, where you can bask in the fresh air or enjoy a soak in the hot tub, and again enjoy the views or lead you to the beautiful grounds. The ADU, approximately 903 sq ft, offers its own private haven with a full kitchen, dining area, laundry, and two separate

entrances. Upstairs, two generously sized bedrooms and a beautifully designed bathroom. Giving you comfort and privacyâ€”perfect for guests, extended family, or a rental opportunity. Outside, the grounds are a true sanctuary with mature landscaping, multiple decks, and tranquil garden spaces ideal for al fresco dining, lounging, or creative inspiration. A carport with an electric gate for even more privacy. There is also a separate structure in the backyard that is currently a large laundry room; however, this would make an excellent studio or home office. All this could be yours, located within the sought-after Wonderland Elementary School district. With its rich history and artistic spirit, Laurel Canyon is the perfect backdrop for this one-of-a-kind property. Check out the 3D walking tour and floor plan that have been added so you can see the beauty!
