\$390,000

4 Bedroom, 2.00 Bathroom, 2,031 sqft
Residential on 0 Acres

N/A, California City,

Built in 2022, this stunning home offers open concept, stylish living at its finest. The large kitchen has ample storage, a large island, walk-in pantry, quartz countertops with fabulous lighting over the island and dining area. Beautiful laminate flooring spreads throughout the house creating a seamless feel and enhancing the 2000+ square foot layout. The Master Bedroom is grand with a walk-in closet, double-sink en suite bathroom, stand-up shower and private water closet. The three secondary bedrooms are sizable as well. Laundry room is very accessibly located near the bedrooms for convenience. All windows throughout are covered with beautiful blinds, with the Living Room and Slider blinds functioning electronically. The spacious 2-car garage is equipped with TWO 7Kwh 8-gauge wire 32 amp charging stations for your EVs. The solar system is owned and generates enough electricity to run the whole house, including charging 2 cars, and still accumulate a credit. No need to combat hard water stains and dry skin. Installed is a fully owned whole house water softening system. Good for your fixtures and easier on your skin and hair. The property is fully fenced offering privacy and a blank slate to create your own backyard oasis. This home is ready for its next owner - move-in ready and no seller contingencies!
