Location, location, location. Light fixer on this adorable home. This is a cash sale only. The bathroom has been updated with a walk-in jacuzzi tub, floors, toilet, mirror and sink. Beautiful pine cabinets and walls adorn the home. The kitchen has tile counters, display shelving, tile flooring, and all the modern appliances. Forced heat is installed and there are two evaporative coolers, one of them new, for cooling. An on demand water heater offers unending hot water for the home. The entire property is ultra clean with several outbuildings, many of them with lighting and evaporative coolers, however, the electricity has been disconnected to these buildings. A very large, three sectioned workshop is just behind the lovely fenced-in backyard. Bring the chickens, there's a chicken coop and this property is zoned light agricultural. Several very old and majestic cacti also reside on the here. Located less than 5 minutes from the 14 freeway and less than 5 minutes from shopping yet very serene with that rural feel.
