Donâ€™t miss this hard-to-find single-story home featuring 3 bedrooms and 2 bathrooms in a great neighborhood! Step into a bright and airy living room with custom built-ins, perfect for relaxing or entertaining. The eat-in kitchen features granite countertops, recessed lighting, tile floors, abundant cabinet space, and a warm, welcoming atmosphere for everyday meals and gatherings. The spacious primary suite was expanded by removing a wall (which can easily be replaced to add a 4th bedroom) to create an oversized bedroom complete with a private en-suite bathroom. Two additional bedrooms and a full guest bath provide plenty of room for family, guests, or a home office. Freshly painted throughout, roof and laminate flooring just installed in May and a whole house fan, and the HVAC was replaced about a year ago, this home feels fresh and move-in ready. A dedicated laundry room with a sink and built-in cabinets offers extra storage and convenience. Step outside to enjoy a generously sized backyard with mature landscaping, a covered patio, and room to garden, play, or host gatherings. The oversized driveway has space for extra vehicles or RV parking, and the attached garage includes overhead storage. Schedule your tour todayâ€”this rare single-story wonâ€™t last long!
