N/A, Los Angeles,

This is your chance to own a condo in the coveted Lago Vista complex, designed by Allyn E. Morris circa 1973! A rare architectural gem, this open floor plan 2 bedroom + bonus room condo (see remarks) is a tranquil oasis in the middle of the city. Living room with exposed beams recalls the original mid-century design. Kitchen with beautifully maintained original tile counters and backsplash is eye-catching. Balcony large enough for lounging and al fresco dining. Two well sized bedrooms, plus an additional room that can be a third bedroom or office (see remarks). Quiet location in the back of the building with serene tree top views. The owners preserved the original features, sourcing Hansgrohe faucets, bakelite switch-plates, and more. Private pool and lounge area with mid-century vibes looks like it is straight out of a Slim Aarons photograph. Two assigned parking spaces with close access to the unit. The location is a star with the best of Echo Park, Silver Lake, and Sunset Junction a minute away. Own a piece of architectural history at Lago Vista.

Built in 1973
