A Family Story: The Heart of 20591 Celtic Street

Where Memories Were Made & New Chapters Begin:

For the family who lived at 20591 Celtic Street, this wasn't just a house, it was the backdrop to a lifetime of milestones, laughter, and growing together. Over the years, they raised children under this roof, each one finding their own corner of the home to call theirs, yet always gathering in the spaces meant for connection.

Weekends were filled with splashing in the backyard pool, neighborhood kids running through the gate, and warm summer evenings spent grilling by the built-in BBQ. The surrounding local trails became their everyday retreat: morning walks, after-school bike rides, and family adventures that turned small moments into lasting memories.

One of the kids made the downstairs en-suite bedroom their own private haven. With its separate entrance and full bath, it became the perfect blend of independence and closeness, an ideal setup for a multi-generational household, extended family stays, or offering guests a private retreat.

The home was thoughtfully remodeled, blending the heart of the memories created here with fresh, modern updates throughout. The kitchen, long the center of holiday meals, weeknight dinners, and late-night conversations, now features beautiful quartz counters and stainless appliances that make

every day cooking feel special.

Just steps away, the expansive family room became the natural gathering spot for celebrations and cozy nights in. Complete with a charming brick fireplace, custom built-ins, and a full bar, itâ€™s a space designed for hosting, relaxing, and everything in between.

The home also includes a welcoming formal living room with a second fireplace and an formal dining room, perfect for holidays, celebrations, and memorable gatherings.

An additional office space provides the ideal setting for remote work, homework, or creative projects, offering flexibility for todayâ€™s lifestyle needs.

Today, the home stands ready for its next chapter: spacious, bright, beautifully updated, and full of possibility. With 5 bedrooms, 3.5 baths, over 3,400 square feet, thoughtful upgrades throughout, an office space, elegant formal rooms, and NO HOA, this home offers room to live boldly, host generously, and create a life filled with moments worth remembering.

Welcome home.
