Lyra (at Skyline Ranch) (LYRA), Saugus,

Santa Clarita's prestigious "Skyline Ranch" is home to this gorgeous 5 bedroom plus loft pool home! There are upgrades and then there are rare homes in which the seller literally improved every inch of the property, and this is one of those! Perfectly located on a flat cul de sac, this is the largest model with spacious rooms and lots of natural light. Four bedrooms are upstairs (two are en suite), with the loft. The first floor has two options for bedrooms which are currently an office and media room. The fully landscaped yard with pool features the popular covered "California room" to really enjoy the outside space and front and back offers paver style hardscape, lots of trees, roses and privets and custom up lighting. The unique custom brick detailing as you drive up is just one of many signs this home is special and when you walk in & see the Inside, the entire home features the popular wide plank French oak hardwood, shutters throughout and Restoration hardware lighting. So many custom touches are seen in every part of the home with the kitchen/great room being a true showstopper. Custom quartz island, soft close cabinetry, cafe appliances, backsplash, all very current and neutral but different from any other you have seen. There are 3 full pages of improvements available in the supplements, and they speak to the care and money invested in this move in condition home. Finally, the fully OWNED solar system and THREE Tesla power walls, plus two EV chargers are waiting for you in the 3-car

tandem garage. What more could you want?
