RARE SINGLE-FAMILY HOME ABOVE THE LAKE IN CLASSIC CALABASAS

Located on one of only two streets in the community featuring traditional single-family residences...the rest being the zero-lot-line homes or townhomes, this property presents a rare opportunity. A true fixer from top to bottom, inside and out, it offers immense potential in a premier location with lake views and exceptional privacy.

Nestled among mature olive trees, this could become someone's incredible forever home. The main 2-story house features 4 bedrooms and 2.5 bathrooms. Additionally, there is a detached guest suite or potential "ADU" located behind the garage, with its own private entrance overlooking the serene yard. It features a bathroom but no kitchen facilities. This is not a garage conversion.

An entry portico separates the main house from the guest suite and or ADU. It is sometimes enclosed in similar homes to expand the main residence, creating space for a playroom, family room, or a downstairs primary suite...an uncommon feature in Calabasas due to typically smaller lot sizes.

Built in 1969
