Residential on 0 Acres

N/A, Los Angeles,

Nestled in the serene hills of Laurel Canyon, this charming 3-bedroom, 2-bathroom home offers a tranquil escape in one of Los Angeles' most storied canyon communities. It's been loved and enjoyed by the same family for over 55 years!

This home features high ceilings, laminate floors, and well-placed newer windows that fill the space with natural light and capture the surrounding beauty.

The galley-style kitchen, tucked just off the main living area, is outfitted with stainless steel appliances including a refrigerator, dishwasher, and stove—ideal for those who appreciate efficiency. The flexible floor plan includes a smaller bedroom perfect for a home office or creative studio, and two additional bedrooms—including a generous primary suite that opens directly to a private backyard patio, where deer are often spotted wandering by.

While the home exudes warmth and charm, it also presents an opportunity for a buyer to bring their own vision and a little TLC to truly make it shine.

A large front deck invites outdoor dining, lounging, or entertaining under the trees, creating an idyllic setting that feels far removed from city life—yet just minutes from the heart of Los Angeles. Additional highlights include central air and heat, a two-car carport, and proximity to the award-winning Wonderland School.

This is a rare opportunity to own a soulful canyon home that blends character, comfort, and the potential to make it your own.
