Residential on 0 Acres

N/A, North Hills,

Beautiful family home on a quiet tree-lined street in North Hills. Owned and loved by the same family for generations, it is time for new memories to be made here in this amazing place. There are three bedrooms and two full bathrooms. The primary suite feels like a luxury retreat with a large separate walk-in closet and attached bath with a steam shower. The kitchen is a chef's paradise and has been extensively upgraded with high end wood cabinets, solid surface counters, and a gorgeous glass tile backsplash. A built-in stainless-steel double oven and gas cooktop complete the menu and make this the perfect place to create a culinary masterpiece.....or toast, if you want. The sizable living room is a great place to relax and features a stone fireplace, and a perfect little office nook. The backyard is private and inviting, with a large, covered patio, outdoor fireplace, and green landscape (including fruit trees!). There's lots of room behind the automatic gate in the front of the home for guest parking and two more spots in the attached garage. Truly a wonderful home, and a great opportunity!
