N/A, Altadena,

This vacant lot offers a rare chance to build new in a highly sought-after Altadena neighborhood. The previous home was lost in the Eaton Fire, and the site has since undergone inspection. Utilities were previously connected and are available at the street (buyer to verify restoration requirements). The property is being sold as-is, and buyers are strongly encouraged to conduct their own due diligence with Los Angeles County and other relevant agencies regarding future development, permitting, and any remaining site considerations. This is a unique opportunity to create a custom home in an established residential setting surrounded by natural beauty. Drive-by only. Do not enter the lot due to safety protocols.
