Residential on 1 Acres

N/A, Hidden Hills,

First time on the market! This sprawling property is located on one of the premier cul de sac's in Hidden Hills. Upon entering, the view is both breathtaking and tranquil as the oversized floor to ceiling windows capture the backyards mature trees and landscape. This home, although original to its construction, is architectually both unique and worthy of appreciation. Desined by John T. Lyle, an American architect who created a traquil escape where you feel as if you are sitting in a mature forest but instead strategically hidden among city life. Featuring 4 bedrooms and 5 bathrooms, a north south tennis court, pool and spa on nearly two acres, this property offers an abundance of privacy and a blank palette to turn your dreams into reality.

Built in 1973
