N/A, Lancaster,

First time on the market! This beautiful single story home is tucked away at the end of a cul de sac in Quartz Hill. This beauty offers 3 bedrooms, 2 baths, a large bonus room measuring approx 13'x17' and updated kitchen with freshly painted cabinets and so much more. Retreat into the back yard and enjoy the gorgeous drought tolerant landscaping. This outdoor space is truly the heart of the home. The owners have spent thousands to make the backyard an entertainers paradise; Watch 4th of July fireworks from atop the balcony, relax in the gorgeous spa, plant your favorite veggies in the mini green house; lounge on the swing, cool off with the outdoor shower or work on that project in either of the two large sheds. And there's even a pet "cave" ready for your furry friends. The three car garage has a pass thru door that leads to the backyard; though there's ample parking in the front -- enough for your RV. Hurry, this one won't last long!
