N/A, Palmdale,

Enjoy life in this custom-built single-story home in the QH area of west Palmdale. This remarkable floor plan is extremely versatile, with a portion of the home permitted as an ADU. Enter the home through double doors leading to a large living area. The home features both a formal dining room and an eat-in area off the kitchen. The kitchen has been updated with newer cabinets, appliances and granite counters! The primary suite is also permitted as an ADU... perfect for family member(s) that move back home but desires a little extra privacy (or a possible rental?). The remainder of the home has 3 additional bedrooms and an updated bathroom. The home sits on a half-acre lot at the end of cul-de-sac with fabulous xeriscape landscaping, paved & gated RV access, and a sports court for fun and games! Pickleball anyone? But, best of all, this home has a owned solar system to keep you cool and your expenses down! Too much to list! This is a must see!
