Residential on 0 Acres

N/A, Los Angeles,

Perched above the street with a fully fenced yard, this Boyle Heights charmer blends comfort, character, and modern updates. A wisteria-draped front porch sets the tone, welcoming you into a freshly painted interior with real hardwood floors, new carpet, and dual-pane windows throughout.

The main home offers three bedrooms and one-and-a-half bathrooms across 1,485 sq. ft. A spacious living and dining area flows seamlessly for everyday living and entertaining, while a separate den sits just off the eat-in kitchen. The kitchen shines with stainless steel appliances, granite counters, and plenty of room to gather. Central heat and air conditioning ensure year-round comfort.

Step outside from the den into a private garden retreat with mature fruit trees—including fig and the sweetest white nectarine—plus a patio and lawn, perfect for outdoor dining and relaxation.

The newly renovated, converted garage back house adds exceptional versatility with 517 sq. ft. of living space, featuring one bedroom, a separate office, a designer-tiled bathroom, new floors, a charming kitchenette, and fresh finishes. Perfect for guests, extended family, or a dedicated work-from-home space. A long driveway provides off-street parking for multiple cars.
