N/A, Woodland Hills,

This is a large gently upsloping lot in one of Woodland Hill's finest neighborhoods. Seller has done a great deal of work towards entitlements which can be found in the supplements. Woodland Hills is a quiet suburban community known for excellent schools and safe neighborhoods. It is rapidly gentrifying with the development of the Warner Center by the Los Angeles Rams who are re-locating their headquarters here creating jobs and providing a huge variety of restaurants and entertainment. There are excellent venues for shopping and a state of the art movie theater. There is a wonderful sense of community and family with summertime concerts and movies in the park. The Santa Monica mountains provide a huge variety of activities and some of the areas best beaches are just a short drive. There are very few, if any lots like this still available. Don't miss the opportunity to make this one your home.
