4 Bedroom, 3.00 Bathroom, 2,584 sqft

Residential on 0 Acres

N/A, Northridge,

Located on a quiet cul-de-sac, this thoughtfully remodeled four-bedroom, three-bath residence combines modern design with everyday comfort. The open-concept floor plan showcases natural light through new energy efficient windows and features recessed halo lighting, designer fixtures, accent walls, and a built-in sound system throughout the home. The custom kitchen is designed with functionality and style in mind, offering rich wood cabinetry with gold accents, quartz countertops, a large center island, and professional-grade stainless steel appliances including a six-burner range, built-in oven, and microwave. The layout includes a sunken living room with a fireplace, a dining area with a wet bar, and a family room enhanced by modern lighted built-ins. The connection between spaces creates a seamless flow for both daily living and entertaining. The primary suite offers a spacious walk-in closet, a feature accent wall, and sliding glass doors that open to the backyard. The private outdoor space includes a newly resurfaced pool with in-pool seating, ideal for relaxation and gatherings. Additional highlights include a three-car garage with epoxy flooring and new automatic doors, upgraded front landscaping with a sprinkler system, and LED exterior lighting.

This move-in-ready home provides a balance of privacy, convenience and modern living, located close to local parks, shopping centers,

schools, and major commuterÂ routes.
