N/A, San Pedro,

This quintessential 1911 Craftsman-style bungalow captures the spirit of early 20th-century architecture with its timeless design and inviting character. Featuring 2 bedrooms, 1.5 baths, and approximately 1,260 sq ft of living space, this home sits in a desirable San Pedro neighborhood known for its historic charm and convenient location. Original details, like wood siding, statement window casements and door jambs, decorative picture rails, and a stained-glass front door, evoke the warmth of its era, while thoughtful updates provide a comfortable blend of old and new. A covered front porch sets the tone for relaxed coastal living. The entryway offers period hardwood floors that flow throughout. The cozy living room features a brick fireplace, built-in storage, and a convenient passthrough to the kitchen. The updated eat-in kitchen showcases quartz counters, white shaker cabinets, wainscotting, and ample space for informal dining. Just off the kitchen, a utility room with laundry hookups and a half bath adds function and flexibility. Both bedrooms are generously sized with walk-in closets and share an updated Jack & Jill bath complete with quartz counters, tile flooring, and a classic tile surround. Out back, enjoy a spacious brick patio with a covered area ideal for entertaining or relaxing in privacy. A detached two-car garage with alley access offers parking and storage, or the potential to convert into a private ADU. This rare early-20th century gem offers the opportunity to embrace San

Pedroâ€™s historic character while customizing it to suit modern living, close to the harbor, freeways, and the exciting West Harbor waterfront development, with its future mix of dining, retail, and entertainment. A true blend of charm, potential, and location. Donâ€™t miss out!
