N/A, Malibu,

Welcome to beautiful Las Flores Canyon where the most spectacular private Townhome awaits. A secluded entry around the back of a 4-unit building with it's own private patio which looks out towards the oak trees, mountains and seasonal stream. As you walk through the door you will see stairs that lead you up to the main floor but on the first floor there is a bedroom suite with private bath and walk in closet. Upstairs you will enjoy a large living space and kitchen that looks out over the tops of the trees to the mountains along with a balcony to enjoy the ocean breeze. The large family room has a lovey fireplace for those chilly winter nights. Also upstairs you will find another bedroom and full bath. Enjoy the close proximity to everything Malibu has to offer. Just a 10 minute drive to Pepperdine University, the country mart and so much more. Living next to the mountains with million dollar views and the ocean doesnâ€™t get better than this.
