Lake Lindero (856), Agoura Hills,

This is possibly the finest view and the best lot in the neighborhood—come see for yourself. A gorgeous golf course home perfectly tucked away on a quiet cul-de-sac, offering privacy, charm, and a true resort-like vibe surrounded by nature. Every direction presents majestic mountains, lush trees, and rolling greens. Inside, the home is bright, open, and rich with character. The newer gourmet chef's kitchen features quartz counters, a center island, a large pantry, wood-like floors, and stainless-steel appliances, making it ideal for cooking and entertaining. Natural light pours in, highlighting the warm, inviting rustic ambiance throughout.

The primary suite feels like a private retreat with wood-beamed pitched ceilings, a private bath, and direct access to a spacious viewing deck where you can enjoy breathtaking sunset mountain views with a relaxing evening cocktail. A staircase leads to the private backyard below, adding to the sense of seclusion. The backyard exudes serenity and charm with mature fruit trees—including plum, grapefruit, lemon, fig, and olive—all producing fruit.
