Fresh new paint inside and out sets the tone the moment you walk in, and the fully paid-off solar sweetens the deal right up front—lower bills, no leases, no surprises. The completely new kitchen elevates the home with brand-new cabinets, countertops, stainless steel appliances, and a new stainless steel sink and faucet, all paired with an inviting breakfast nook. Brand-new plank flooring runs through the entire downstairs, complemented by new carpet in all bedrooms for a clean, modern finish throughout. This split-level layout gives you two living areas, a formal dining room, central heating and air, an indoor laundry room, and a wood-burning fireplace for those colder nights. The 3-car garage now features brand-new garage doors and even a pass-through door to the backyard—perfect for projects, toys, or extra convenience. The downstairs bedroom and bathroom offer flexibility, while upstairs features a Jack-and-Jill bathroom and a standout master suite with dual walk-in closets, a soaker tub, a separate shower, and a fully updated dual-sink vanity. Outside, the front yard has brand-new grass, and the backyard delivers a covered patio, plenty of concrete, and tons of room to run around. In an excellent location near schools, shopping, restaurants, and more, this rare offering is one you need to come see in person.
