N/A, Ramona,

Experience country living with city convenience! This charming and cozy 2-bedroom, 1-bathroom horse property is located on the West Side of Ramona. The home is situated on a private dead-end road, just 10 minutes from the Ramona Preserve, where you can hike, bike, and ride horses. Also, there are many wineries nearby!

The property is generator-ready and equipped with a paid solar system featuring 20 panels. Recent upgrades include a new water heater installed in 2020, a new roof with a 15-year transferable warranty added in 2021, and a new roof on the garage overhang. In 2023, the sellers upgraded the dishwasher, refrigerator, washer, and dryer, all of which will remain with the home. The exterior has been freshly painted, and the interior has been updated as well. The tub and shower have been reglazed, and a new stove and microwave were installed just a few months ago.

The garage can easily be converted into additional living space, and with a spacious 37,000-square-foot lot, the possibilities are endless. The property includes a horse paddock with electric fencing, cross-fencing for animals, and for gardening enthusiasts, there are five raised flower beds.

A significant advantage of this home is the lower electric bills. The sellers stated that their SDG&E bill for July 2024 was approximately

\$100 for the entire year and the home is on a private well!
