5 Bedroom, 5.00 Bathroom, 4,875 sqft

Residential on 1 Acres

N/A, Murrieta,

This extraordinary private estate has endless possibilities! It features (3) separate private residences with full kitchens on a well manicured, fully landscaped 1-acre parcel. This gorgeous home is located within a very desirable neighborhood of custom homes on the west-side of Murrieta where homes rarely become available. Murrieta is one of the safest cities in California with an excellent school district. The well-appointed main house was designed with the capability of adding 2 additional bedrooms and a bathroom upstairs if desired. You'll find this home very comfortable inside and out. Entertaining is a breeze with its large gourmet kitchen, expansive covered back patio and 1200 s.f. game room that features stadium sofa seating, a 10ft 4K projection tv and superb sound system. The two guest house suites have private entrances and were built in a staggered arrangement so they're not above each other. These are beautiful suites that feature a private 12" x 12" bedroom, well appointed kitchen, family room, dining area and bathroom. This property is perfect for multi-generational living, monthly rentals or as they're currently being utilized as permitted short-term rentals on Airbnb and VRBO (FYI; ADU's cannot be used as a short-term rental, which makes these guest suites so valuable). These beautiful rentals currently rank in the top 1% in the world as short-term rentals on Airbnb. They've exceeded Superhost and Guest Favorite

status due to over 100 satisfied guests while never receiving less than a five-star review. The income potential is over \$100,000 per year. Privacy hedges and a separate automatic gate entry assures total privacy for the main house grounds. If it weren't for the exterior security cameras, we'd hardly know anyone is ever staying on the property. Revel in the best of both worlds with the charm of estate living, all within reach of urban conveniences. As a huge plus, there's a city fire hydrant on the property and another hydrant less than 50' away directly across the street. A much more detailed features and amenities list is uploaded in the supplements section, so be sure to ask your agent for a copy.
