HUGE price reduction for quick sale this weekend! 6/28-6/29. Get here quickly! This gorgeous home is currently the lowest price per square foot for any home in Winchester priced between \$700,000 and \$900,000. Do NOT miss this price and rare opportunity to own one of Winchester's most beautifully maintained and upgraded homes. This stunning, single-story, open floor plan, 4-bedroom, 3.5-bathroom home is located in the highly sought-after Vineyard Heights community and offers a perfect combination of modern upgrades, energy efficiency, and a thoughtfully designed floor plan. With over \$90,000 in upgrades completed in the last two years, the home is truly move-in ready and designed for comfort and convenience.

Featuring 10-foot ceilings and extra-tall doors throughout, the home feels bright, inviting and grand. The open-concept kitchen is ideal for entertaining, with an oversized island, abundant counter space, generous cabinetry for storage, and beautiful hardwood flooring. The home also stays incredibly cool in the summertime, usually not getting above 78 degrees, even with the air conditioning off.

PAID OFF Solar panels, installed in 2023, produce 28% more energy than the average home. The 12-month average utility bill per month is \$60, and that INCLUDES charging an electric vehicle daily! Additional energy-saving features include a whole-house fan, a smart

Ecobee thermostat, and new ceiling fans in most rooms. A newly installed electric car charger (2024) adds even more convenience for eco-conscious buyers.

The professionally landscaped front and backyard create a true outdoor oasis, complete with a gas fire pit, a built-in outdoor kitchen, and upgraded low-maintenance Daytona turf that looks and feels like real grass. The yard also includes fruit trees, a raised garden area, and a drip irrigation system, making it as functional as it is beautiful.

A reinforced RV pad with stamped concrete has been added to accommodate large recreational vehicles, measuring approximately 14 feet 2 inches wide by 71 feet long, providing additional parking flexibility and value. There is also an area of the home that can be converted into a 2 bedroom granny suite.

This home is located in the award-winning Temecula School District and is conveniently close to top-rated schools, shopping, dining, and entertainment. It's also just minutes from Lake Skinner, local wineries, and the new Murrieta Marketplace.
