N/A, Menifee,

One of the best-kept secrets in Menifee is tucked away on Driftview Circle—and it's got room to play, plant, entertain, and actually live. This spacious single-story home sits on an oversized 10,000+ sq ft lot in a peaceful cul-de-sac, with a wide driveway and a rare three-car garage.

Step inside to a bright and open layout featuring a large front living room and a separate family room—ideal for movie nights, game days, or hosting friends. The gourmet kitchen connects the spaces and features bold black and white Calacatta quartz counters, with brand-new carpet flowing throughout the home along with luxury vinyl and laminate flooring for a fresh, modern feel. The primary bedroom offers private access to the backyard, a walk-in closet, and a sleek en-suite bathroom with LED light-up mirrors and an upgraded toilet. The second bathroom carries the same thoughtful finishes. Outside, you'll find an oversized patio cover for shaded lounging, a grassy lawn perfect for pets or play, and a dedicated space ready for your dream fire pit or trampoline. A fenced garden area with raised beds and irrigation is ready for May planting, and mature fruit trees—guava, pomegranate, fig, lime, and grapevines—make it feel like your own backyard orchard. A storage shed sits tucked away on the side for added functionality. This home also includes Tesla solar panels on a low, flat-rate that keeps electric bills minimal, even in summer (No electric bills in the past

two years since the solar panels!). With low taxes, no HOA, and walking distance to Ridgemoor Elementary, this property delivers the best of Menifee living with space, upgrades, and charm in every corner.
