5 Bedroom, 4.00 Bathroom, 3,624 sqft

Residential on 0 Acres

N/A, Eastvale,

Upgraded Eastvale home that is built for comfort, flexibility, and plenty of space to grow. With 4 bedrooms (optional 5), 3.5 bathrooms, and just under 4,000 square feet of living space, this home has room for everyone and then some. The first floor features a private Next Gen suite and full bath, making it perfect for an optional 5th bedroom, private room for extended family, guests, or a quiet home office setup. Step inside and you will immediately notice the details; rich wood flooring, crown molding, open staircase railings, and recessed lighting that makes every room feel bright and inviting. The heart of the home is the gourmet kitchen, complete with granite countertops, a massive island, and plenty of storage, all flowing seamlessly into the spacious living room with a cozy fireplace. There is also a formal dining room with elegant French doors that open to a serene courtyard, perfect for sipping your morning coffee or hosting an evening dinner party. Upstairs, the primary suite is a true retreat, with its own sitting area, luxurious bathroom with soaking tub and dual sinks, and a walk-in closet that could rival a boutique. The layout also includes an upstairs laundry room, an additional en-suite bedroom, and two more bedrooms with their own walk-in closets and shared bath. Outside, the backyard is massive; ideal for entertaining, relaxing, or even adding a pool or guesthouse. Located in a quiet cul-de-sac in one of most desirable neighborhoods in Eastvale, this home checks all the boxes for comfort, space,

and style.
