Sweeping Mountain Views & Mid-Century Charm!

Perched gracefully on a gentle hill, this unique 3-bedroom, 2.25-bath home offers breathtaking views of the San Bernardino Mountains from the main living area. Gaze eastward from the backyard and take in the stunning sight of Mount Rubidoux—a perfect backdrop for sunrises and serene evenings.

Lovingly designed and built by the original owner in 1965, this is the first time this cherished home has come to market. Inspired by mid-century split-level architecture, the layout offers both character and functionality. A short flight of stairs leads to a spacious primary bedroom suite complete with a private bath and peaceful views.

The warm and inviting living room features a beautiful brick fireplace, ideal for cozy winter nights. Adjacent is a comfortable dining area and space for a breakfast nook, perfect for morning coffee or casual meals.

Bonus spaces abound! An almost 240 square foot sunroom on the main floor extends your living space with natural light and year-round enjoyment. Downstairs, a partially finished basement includes a laundry area, a convenient quarter bath, and a private entrance—ideal for a home office, workshop or creative studio.

Freshly painted with brand new carpet throughout, this home is move-in ready.

Natural rock outcroppings add to the unique landscape, while a Meyer lemon

treeâ€"planted over 50 years agoâ€"offers both beauty and bounty in the backyard. Don't miss this rare opportunity to own a one-of-a-kind home with unforgettable views. Come and make this hillside retreat your own. This one wonâ€"t last!
