Welcome to your new home in The Farm! The gorgeous single-story house has been updated with BRAND NEW flooring and appliances. Step inside an open-concept living room that seamlessly connects with the kitchen and dining area, which makes both entertaining and everyday family life an inclusive experience. As an added bonus, it's one of the only homes in the Farm that was built with a water line for the refrigerator, which means ice and water are able to be produced within the appliance! This home also boasts beautiful plantation shutters, which add a touch of luxury to almost every space within. Both bathrooms have been updated with tile showers. The Master is spacious, as is the secondary bedroom. Beautiful white baseboards and trim throughout! That's not all! Outside, you will find a spacious two-car garage as well as a YARD with an uninterrupted view of the orchard! It's truly a one-of-a-kind space, and perfect for first-time home buyers, families, and anyone in between! Descriptions do not do this home justice!
