With vibrant spring blooms and autumn fruit, the grove also provides a scenic, low-maintenance landscape. There's room to plant a vineyard, expand the orchard, or grow your own garden or farm-to-table experience.

Inside, you'll find tall ceilings, three fireplaces, and a gourmet kitchen with elegant stone countertops, a large center island, built-in refrigerator/freezer with wine cooler,

and a bright, open layout. The home is powered by a fully paid 24-panel solar array that offsets energy use and includes newer dual-zone HVAC for efficiency. The three-car garage offers easy access and ample parking for guests, equipment, or recreational vehicles.
