Residential on 0 Acres

N/A, Morongo Valley,

Welcome to peaceful Morongo Valley—where retro charm meets modern comfort.

This bright, beautifully maintained mid-century home is move-in ready and full of character. Step inside to find a light-filled living room with dramatic 1950s-style beamed ceilings and striking floor-to-ceiling corner windows that flood the space with natural light.

The open-concept kitchen has been updated and features a skylight, ceiling fan, and recessed nook that's large enough for a dining table. There's also another floor-to-ceiling window, bringing in even more brightness and a spacious feel.

Off the kitchen, you'll find a generous bonus room—originally the carport—perfect for a home office, studio, or creative space. (Please note: this additional room is not included in the stated 800 sq ft.)

Both bedrooms feature the same eye-catching beamed ceilings and clean architectural lines, staying true to the home's retro roots. Out back, enjoy a covered concrete porch with a built-in bench and laundry area.

The oversized detached two-car garage provides ample storage or workspace, while a covered parking area accommodates at least three additional vehicles.

Whether you're seeking a stylish desert getaway or a peaceful full-time residence, this one is worth a closer look.
