3 Bedroom, 2.00 Bathroom, 1,652 sqft
Manufactured In Park on 0 Acres

N/A, Hemet,

Well cared for 2007 manufactured home in the 55+ Colonial Country Club, offering the space, comfort, and layout everyone loves. This roomy 3 bedroom, 2 bathroom home sits on a corner lot and has the kind of floorplan that just feels good the moment you walk in.

The kitchen is large and bright with a skylight, tons of cabinet space, an island, and it opens right into the family room—complete with a cozy fireplace and vaulted ceilings. The refrigerator stays, and the inside laundry room gives you even more storage (as if the kitchen didnâ€™t already spoil you). Washer and dryer are included, too.

The primary bedroom sits in the back for added privacy and has a generous walk-in closet, vaulted ceiling, and ceiling fan. The en-suite bathroom features dual sinks, a soaking tub, and a separate shower. The two secondary bedrooms also offer vaulted ceilings and ceiling fans.

One huge bonus: this home is true ground-level with no steps—unlike many of the newer homes being brought into the park that require stairs. This is an easy-living setup for anyone who prefers (or needs) a level entry.

Outside youâ€™ll find a covered front entry,

several fruit trees, low-maintenance landscaping on drip irrigation, a covered carport on the opposite side of the home, and a cute matching shed for extra storage. And for peace of mind, the seller just installed a brand-new HVAC system.

Colonial Country Club offers free golf, a putting green, fitness center, dog park, library, shuffleboard, ballroom, heated pool and spa, and an active social calendar.

This is one of the nicest homes available at a great price—don't miss out!
