MLS® #SW26021034

\$569,900

3 Bedroom, 2.00 Bathroom, 2,042 sqft
Residential on 0 Acres

N/A, Winchester,

The home is currently configured as 3 bedrooms plus an office, though the builder originally offered a flex room option that can easily serve as a 4th bedroom, formal dining room, or home office, providing excellent versatility to suit a variety of lifestyles.

This single-story home is situated on a spacious corner lot and features a custom concrete walkway that enhances curb appeal. Upon entry, extra-wide hallways create an open and inviting sense of space. The expansive great room features soaring ceilings and flows seamlessly into the kitchen, making it ideal for both everyday living and entertaining. The kitchen offers a center island, reach-in pantry, upgraded granite countertops, high-end appliances, a dedicated dining area, and a convenient eat-at bar. The oversized primary suite serves as a relaxing retreat and includes a spacious primary bathroom with a step-in shower, dual sinks, and a large walk-in closet. Two generously sized secondary bedrooms are located at the front of the home and share a well-appointed hall bathroom featuring gorgeous countertops and crisp white cabinetry. A convenient indoor laundry room with added storage enhances everyday functionality.

The large backyard offers a cement patio, lush green grass, and water-efficient decorative gravel and wood chips—perfect for entertaining, play, or quiet evenings outdoors. The rear and side yards are enclosed with

block wall fencing, complemented by durable vinyl fencing on one side, designed for privacy and long-lasting durability. Enjoy beautiful mountain views that add to the peaceful and private setting. Paid-off solar system add exceptional value, energy efficiency, and affordability to this wonderful home.
