N/A, Temecula,

Luxury executive pool home in the highly sought-after neighborhood of Paseo Del Sol - fully upgraded and remodeled. Enjoy the sounds of the pool waterfall and sights of a backyard oasis from your brand new kitchen with soft-closing light oak cabinets, quartz counters, new high-end appliances, tiled backsplash, floating shelves, custom range hood and large island. Boasting a large main floor primary suite with huge tiled shower, double vanities, soaking tub, quartz counters, plus large walk-in closet! The upstairs bedrooms are spacious with walk-in closets in two, plus built-in office furniture in another. The upstairs loft with built-in cabinets overlooks the vaulted ceiling in the kitchen and open-concept living room with contemporary staircase, railings, and fireplace. Recently added full bathroom downstairs with a large tiled onyx-look shower with bench seat. The house has high ceilings, lots of light, and many desirable interior finishes like arched doorways and wood accent walls. The pool was recently redone with a pebbletec surface, variable speed pump for the waterfall controlled by an app, new filter and pool light. Your dream backyard has a built-in gas fireplace, wood-burning pizza oven, and grill island with new Lion grill plus beverage fridge to entertain throughout the year! With no rear neighborhoods, peek-through mountain views and a quiet street, this is truly a backyard dream! Minimize utilities through a large solar system (28 panels with low monthly lease or

buyout option) and pool heating via solar as well. The 3 car garage is oversized and comes with an additional storage room. The house is nicely situated in one of the best neighborhoods in Temecula with low low taxes (no Mello Roos) and low HOA, with walking trails, community pools, shopping and schools are all a close distance away.
