N/A, Diamond Bar,

Welcome to this stunning one story 4 bedroom 2 bath home on a quiet corner lot and cul de sac location in the Walnut Valley Unified School District! Considered one of the best districts in the state! Walk to Diamond Bar High or Evergreen or Castle Rock Elementary schools. The home has been thoroughly remodeled with new flooring, paint, kitchen, bathrooms, textured ceilings, dual pane windows, & heating and air conditioning to name a few! Simply move in and enjoy! The floor plan is splendid with a spacious 600 sf. permitted family room. The original family room is open to the kitchen and will make a great dining area. A formal living room is near the entry and boasts a wood burning fireplace. There is level flooring (no recessed or step up transitions) throughout the home. The kitchen is graced with quartz countertops on new shaker style white cabinets. Gold accents adorn the quartz which highlights the gold tone oversized sink. Pendant lighting, recessed LED lighting, and an open view to the dining and family rooms. Adjacent to the kitchen is an indoor laundry room with direct access to the 2 car garage.

Bathrooms are remodeled with tile shower stalls and granite countertops over newer cabinetry. All bedrooms feature LED recessed lighting. The back yard is private with no neighbors looking into your yard. The gentle slope in back yard can be eliminated with a retainer wall to increase the level lawn area. The roof is 11 years old and a new 200 amp

main electric panel was installed in 2016, both with permits. The new main electric panel will make it easy to install an electric car charger if desired. Walk to the Super H Mart shopping center and a myriad of restaurants and shops.

Easy access to the 57 and 60 freeways.

Diamond Bar is "Country Living"- as the city motto says!
