Residential on 0 Acres

N/A, Hemet,

Stunning 2004 built 1828 square foot 3 bedroom, 2 bathroom single story Stoney Mountain Ranch home on 7841 square foot lot with 2 car garage. The beautifully landscaped front yard features lush green grass, mature trees, vibrant greenery, and an expansive driveway with white picket fence. As you enter the home, you will notice the open floor plan, complemented by tile flooring, white window shutters and a light paint scheme. You are met with the kitchen to the right, the living room straight ahead and a hallway leading to the bathroom, bedrooms and laundry room on the left. The kitchen includes a dining area with a window with white shutters, abundant cabinet space, granite slab countertops, stainless steel range and dishwasher and convenient bar seating. The spacious living room serves as the heart of the home, showcasing a wood burning fireplace with charming tile accents. Natural light fills the space through shuttered windows, while French doors offer seamless access to the backyard adjacent to the formal dining area. Down the hallway, you will find the bathrooms, bedrooms and a separate laundry room with ample storage space with built in cabinets and shelving, tile floors, and a wash sink. The hallway bathroom includes a shower/tub combo, single sink vanity with a granite countertop, and tile flooring. The spacious master suite is a true retreat, featuring a walk in closet, a fireplace, and a generous sitting area highlighted by a window with shutters, perfect for relaxing in comfort

and privacy. French doors fill the room with natural light while providing direct access to the backyard. The attached bathroom offering a dual sink vanity, tile flooring, ample cabinet space, a walk in shower and a soaking tub. The two additional bedrooms provide comfort and functionality, both featuring carpet flooring, ceiling fans, closets with mirrored sliding doors, and windows with white shutters. One of which includes French doors that lead directly to the backyard. Outside to the open backyard, where a full length covered patio offers the perfect space for outdoor relaxation and entertaining. The yard is beautifully landscaped with mature trees, variety of greenery, and rock, while the side yard is a blank canvas, ready for your personal touches. The home's location is convenient, with shopping centers, freeways, and highways nearby, offering comfort and accessibility with park directly out front featuring trails, basketball courts, grass and covered picnic area.
