Residential on 0 Acres

Horsethief Canyon, Corona,

Welcome to 229 W Hacienda Dr, where the charming front porch and vibrant blue front door set the tone for the stylish, feel-good vibes waiting inside. This beautifully updated corner-lot sanctuary is where character meets modern magic—and yes, the SOLAR is already PAID OFF! Step inside and say hello to not 1, but 2 living rooms. Whether you're hosting movie night, binge-watching reality TV, or building a blanket fort, there's space for it all. Both rooms are cozy, filled with natural light, and anchored by TWO fireplaces. The fully remodeled kitchen is what Pinterest dreams are made of—brand new cabinets, gleaming quartz countertops, trendy backsplash, and shiny stainless steel appliances that are basically begging you to start that sourdough starter again. A new stove, microwave, sink, and dishwasher mean you might even want to cook—and with the dishwasher, you won't have to argue over who's doing the dishes (spoiler: it's not you). Just off the kitchen, you'll find a cozy breakfast nook—perfect for morning coffee, kids' homework, or a spontaneous wine-and-cheese night. And for larger gatherings, the open concept dining room flows beautifully into the main living space for easy entertaining. Bathrooms? Stylishly updated with brand new vanities, modern lighting, chic tile showers, and a fresh tub for soaking. Every bedroom is outfitted with brand new ceiling fans and lighting, so you'll sleep like royalty in cool, breezy comfort. And

speaking of comfortâ€”thereâ€™s a brand new A/C system to keep things chill all summer long. The whole house got a glow-up with new vinyl flooring, new tile in the baths and laundry room, fresh paint, updated baseboards, recessed lighting, new lighting fixtures, and updated dual-pane windows.

Outside, the backyard is made for entertaining with a covered patio, perfect spot for your fire pit, and a lush grassy area. The long driveway and detached garage are perfect for parking, storage, or even converting to an ADU down the road. The new garage door? Chefâ€™s kiss. And letâ€™s not forget: this beauty sits on a corner lot, offering extra space, privacy, and serious curb appeal. And yesâ€”paid off solar means your electric bills might actually bring a smile to your face. Oh, and did we mention those gorgeous wood beam ceilings? Theyâ€™re the architectural equivalent of a cozy hug. If youâ€™re looking for character, comfort, and upgrades galore, 229 W Hacienda Dr is the one. Come see it, fall in love, and start writing your next chapter here.
