---

## \$635,000

4 Bedroom, 3.00 Bathroom, 1,930 sqft  
Residential on 0 Acres

N/A, Fontana,

\*\*\*Quiet Comfort, Modern Design â€” A Refined Beginning\*\*\* Positioned at the end of a peaceful cul-de-sac, 15965 Peach Tree Lane presents a rare opportunity to step into a fully refreshed residence that balances thoughtful updates with timeless design. This four-bedroom, three-bathroom home offers almost 2,000 square feet of well-considered living space, ideal for those seeking both comfort and a quiet sense of style. The entry opens into a light-filled living area where clean lines, new interior paint, and brand-new energy-efficient windows create a warm and modern atmosphere. At the heart of the home is a re-imagined kitchen, where new cabinetry and crisp counter tops set the tone for gatherings both casual and celebratory. Just off the main level, a first-floor bedroom with adjacent full bath offers flexibilityâ€”perfect for guests, multi-generational living, or a private workspace. Upstairs, a sense of calm and separation is immediately felt. A long hallway creates intentional privacy, leading to a spacious primary suite that feels tucked away from the rest of the home. This retreat features new flooring, generous closet space, and a fully renovated en-suite bathroom with contemporary finishes that feel elevated yet understated. Two additional bedrooms share a wing of their own, ideal for family, guests, or creative space. Behind the walls, the updates continue: a new 50-gallon water heater, a new 200-amp electrical panel, and energy-smart

improvements ensure both performance and peace of mind. The backyard offers a blank canvasâ€”ready for quiet mornings, weekend barbecues, or simply a moment of stillness. And thanks to its cul-de-sac location, the home enjoys the kind of everyday privacy and ease that can be hard to find.

Close to schools, shopping, parks, and freeway accessâ€”but removed just enough from the buzzâ€”15965 Peach Tree Lane is a home that invites you in and allows you to exhale. First-time buyers with a discerning eye will recognize the opportunity to start not just anywhere, but somewhere that already feels like home.

Built in 1990
