N/A, Pomona,

Attention Agents, In-Home Income Seekers, Investors, Flippers, Builders and Land Lovers! Potentially divisible lot! Rare opportunity in Pomona! This oversized 16,156 sq ft flat corner lot (approx. 0.37 acre) offers exceptional potential for development, expansion, or multigenerational living. With a side-by-side lot orientation, it's ideal for a future split into two independent homes—unlike a typical flag lot configuration. Perfect for investors or those who simply want to move into a quiet, tree-lined neighborhood, this property is also great for in-home income seekers—those who live in one part and rent out the other. The home is move-in ready, featuring three generously sized bedrooms, 1 full bathroom, 2 three-quarter bathrooms, and a versatile bonus room perfect for a home office, guest room, or creative studio. Per seller, the home has been rewired and re-piped (buyer to verify). A solar system installed in 2022 (buyer to assume lease) keeps utility costs low. A long driveway, detached garage, and massive backyard and side yard provide space, privacy, and flexibility. And don't forget the backyard bonus - a mini farm orchard with grapefruit, dragon fruit, orange, peach, and jujube trees. This is a must-see property—photos can't capture the spacious feel or the potential of the land. Act fast - opportunities like this don't last!
