Immaculate Fully Remodeled Home with ADU

This stunning home has been renovated from top to bottom â€” from the rough work to the final finishes. The open floor plan features a striking double-sided fireplace that elegantly separates the living room from the dining area. Every essential system is brand new, including rough electrical, plumbing, and HVAC.

The modern, full-wall kitchen is designed for entertaining, complete with stylish finishes and ample counter space. Two spacious master suites each offer direct access to the backyard, creating the perfect indoor-outdoor living experience. All surfaces, fixtures, and finishes throughout the home are brand new.

The garage has been thoughtfully converted into an ADU, ideal for guests, extended family, or rental income.

Located in a vibrant neighborhood, youâ€™ll enjoy close proximity to several shopping centers, including the Westfield Topanga Mall with its high-end shops, restaurants, and movie theater. The Village at Westfield Topanga, a newer outdoor destination, offers

even more dining and retail options just minutes away.

Buyer and Buyer's agent to verify all permits, square footage and overall condition of the property. Past MLS listings show a higher square footage than the county assessor.
