N/A, Hacienda Heights,

Welcome to 2699 Turnbull Canyon Road, a hidden retreat tucked away on a private road in the hills of Hacienda Heights, in the very sought-after neighborhood of Turnbull Canyon.

This home offers something truly specialâ€”breathtaking views, privacy, and the comfort of nature all around you. From your deck, you can take in sweeping panoramas of twinkling city lights, snow-dusted mountains in the winter, vibrant sherbet skies at sunset, and dazzling fireworks on the Fourth of July.

Itâ€™s the kind of view youâ€™ll never tire of, one that makes you pause and feel grateful to call it yours. The home sits on an acre of land with plenty of usable space, giving you both room to grow and the seclusion you desire.

Step inside and youâ€™ll find a warm, welcoming floor plan with a formal living room centered around a cozy fireplace, a dining area made for gathering, three comfortable bedrooms, and three bathrooms, plus a separate den that could easily serve as a spacious bedroom. Nearly every window invites the outside in, framing either the sparkling city views or the peaceful canyon that surrounds you. The kitchen and windows have been thoughtfully updated, while the basement provides endless

possibilitiesâ€”whether you dream of extra living space, workshop, or simply a place to store your treasures. The fourth bedroom was once a detached granny studio, now seamlessly connected to the main home, offering flexibility for extended family, guests,

or a private primary bedroom with its own bathroom. This property offers a 2 car garage and plenty of Parking for RV, Boat, or recreational toys. Outside, mature trees, natural walking paths, and nearby trails invite you to slow down, breathe, and enjoy the beauty of Turnbull Canyon. And while the setting feels like a world away, youâ€™re still only minutes from schools, shops, markets, and freeway access.
