N/A, Montebello,

Montebello fixer in pride of ownership area!
Opportunities like this don't come up that often.

This home has been in the family for decades and over the last few years has fallen behind in maintenance and repair.

There is a nice front porch with room for seating on both sides. Walking inside you will notice a good size L shaped living room with cozy fireplace and rear porch. Open the doors on the rear porch and you'll get an amazing cross breeze when needed.

The home has two bedrooms, one is larger than the other. Good closet space in both. Bathroom and kitchen are original to the home and will need to be replaced/updated. Kitchen is rectangle shaped, and has laundry hook ups, laundry sink and a breakfast nook area with bay window.

There is a good size rear yard thats flat and open. In the rear of the property, is a detached 2 car garage. There is a fenced off area in front of the garage thats good to park at and still have the driveway space.

Home has copper plumbing and newer not original electrical.

This home will need to be a cash or hard money loan as there are repairs needed. Call me to discuss the details. Please do NOT disturb occupants.
